***Don't miss out on this Adult-focused series!!!***

**In this series you will:**

- Learn the role of collaborative teams to address problem behaviors exhibited by adults with disabilities.
- Explore natural consequences and their effective use in addressing problem behaviors
- Get real examples of how one provider agency supports self-advocates in fulfilling their lifestyle dreams and some of the tools that helped us to figure it out.
- Take away types of knowledge and skill support staff need in order to provide person-centered behavioral support; and strategies and training tips for professional development

**Presenters:**
